Experience

Relevant Coursework

Graphic Design

📅 2023

- Conceptualized and developed a graphic design project for a final school project, receiving an “A” grade.
- Designed and translated the digital project onto a black foam board with high quality printed paper and spray paint.
- Brought awareness to the social and political cause of universal healthcare in the United States.
- Performed thorough research on the history and aesthetics of graffiti using the *Graffiti and Street Art* book.

Graphic Notation

Graphic Design & Sound Design

📅 2022

- Represented the experimental sound design project visually using abstract graphic design visuals.
- Employed visual hierarchy through strategic placement of elements to represent sound keys while retaining the environmental style.
- Gained learning experience in sound design using the program Reaper in an organized and efficient workflow.
